New Sanctuary Furniture

This past Monday the new altar, ambo (pulpit), tabernacle stand, presider's chair and credence/gift tables arrived here at St. Mary's Church. These new furnishings will add to the beauty and sacredness of our liturgies for generations to come. They were designed and built by a wood working artist from the Twin Cities. We are still waiting on the new stand for the Easter candle and a new processional cross that will also be a part of the new furnishings.

The money to purchase these new furnishings came from Memorial funds received from family members of deceased parishioners over the past 15 years, money returned from parishioners contributions to the Diocesan Ministries Appeal and a donation from the St. Mary Parish Society from their fall festival proceeds.

Thank you for the many ways you have and continue to contribute to the needs of our parish.
